Total MR Shipped in Value (USD) and estimated pounds from 1996 to 2019

- Workbook reports now list the total value (not pounds) of MR shipped
- Total pounds listed below in italics are estimated based on the value of shipments
- Total value includes both non-food items including clothing, bedding, kits and medical; and food items like canned meat, soup mix, and other food commodity items.
- Does not include CFGB food shipments and local food purchases.
- The breakout of the value of food and non-food shipments stopped in 2010.
- The breakout of the value after 2010 listed in italics below are estimates.
